What can I do?

There are many great ways to combine the bus with a walk, some great views and a bite to eat. Here are three of our favourites, which all start and finish in Seahouses.

1. An easy stroll

Why not take the 09:58 bus to Bamburgh? Once there, take time to wander around the village, admire the exterior of Bamburgh Castle from The Green and then have a look around it, enjoying 20% off the usual price with your bus ticket. After this, walk along the beach or Coast Path back to Seahouses to enjoy some well-earned fish and chips.

2. Make a round trip to Berwick

It's possible to have a really great day out in Berwick using the bus. Catching the X18 service at 08:50 will give you plenty of time to explore this historic town. As well as the town walls and three bridges to see, you can also follow the Lowry Trail and enjoy 20% off entry to Berwick Barracks with your bus ticket. Once you've finished sight-seeing and perhaps tried some local food and drink, catch the X18 back at 16:07 or 18:17.

3. A coastal challenge from Craster

For a longer walk, we recommend getting the 09:59 bus to Craster. From here, you can walk all the way back to Seahouses along the Northumberland Coast Path. There are magnificent views along this stretch of the route, as well as the ruins of Dunstanburgh Castle, where you are entitled to 20% off entry if you fancy a look around. Next along the way is the impressive Embleton Bay.

Once you reach Low Newton-by-the-Sea it's about another six miles to Seahouses taking in the sweeping sands of Beadnell Bay where you can stop and call in at the little tern colony. As this walk is about ten miles altogether it is advisable to take a packed lunch, or stop at either High or Low Newton-by-the-Sea for refreshments.

*Buses to Holy Island

Holy Island is tidal so the bus times change daily depending on when low and high tide is and when the causeway is open. For all the most up-to-date information, check the [Perryman's bus timetable](#) before you travel.
